**PREVIOUS COURT ACTION**

None.

**NONCOMPLIANCE SUMMARY**

**Violation of Standard Condition No. 7:** “The defendant shall refrain from excessive use of alcohol and shall not purchase, possess, use, distribute, or administer any controlled substance or any paraphernalia related to any controlled substance, except as prescribed by a physician.”

**Nature of Non-compliance:** On February 16, 2020, during an unannounced home contact, the defendant was requested to submit to a drug urinalysis. This officer noticed that the sample's clarity was very clear as if it was only water. As the sample looked tampered with, the defendant was questioned as to the clarity of the sample. The defendant admitted that the sample was in fact diluted with water. Subsequently, Reyna admitted to the Probation Officer that he used methamphetamine on or about February 15, 2020.

**U.S. Probation Officer Action:** Reyna currently attends individual substance abuse counseling once per week as a condition of state parole requirements. He was verbally admonished for his narcotic use and advised another narcotic use admittance or positive urinalysis would result in placement in substance abuse treatment with a U.S. Probation treatment provider. Reyna will be placed on random drug testing and his compliance will be closely monitored. Accordingly, the Court reserves the right to revisit this allegation in the future, and should Reyna incur any further violations, the Court will be notified immediately.
